Education

BVRIT HYDERABAD College of Engineering for Women, Hyderabad, India Aug 2024 – Aug 2028
Bachelor of Technology – Information Technology
GPA: 8.96

SR Junior College, Hyderabad, India Aug 2022 – Apr 2024
Intermediate Public Examination
Percentage: 96.4%

ZPHS, Jogulamba Gadwal, India Jun 2021 – Mar 2022
Secondary Education
Percentage: 98%

Projects

• **Srija Green Galaxy – Eco-Friendly Biopots Project** Mar 2020
Designed and developed biodegradable biopots using groundnut shell waste as an eco-friendly alternative to black polythene bags used in nurseries for growing saplings.
Tech Stack: Agricultural Waste Processing, Groundnut Shell Powder, Natural Binders, Sustainable Manufacturing Techniques.
Contribution: Developed the biopot formulation using groundnut shell waste, contributed to product design and testing, and promoted sustainable nursery practices by reducing plastic usage.

• **Word Search Game** Feb 2024
Designed and developed a Python-based word search game that challenges users to form valid words using a given set of letters, helping improve vocabulary and spelling skills.
Tech Stack: Python
Contribution: Implemented the game logic and designed the interactive user interface.

• **AI-Driven Smart Band for Women Safety** Mar 2026
Designed and developed a web-based women safety application that enables instant emergency alerts, real-time location sharing, audio recording, and emergency contact management.
Tech Stack: HTML, CSS, JavaScript, Geolocation API, MediaRecorder API, LocalStorage.
Contribution: Implemented the panic button functionality and integrated the Geolocation API for live location tracking.

Skills Summary

- **Languages & Tools:** Java, Python, C, MySQL, Git, Tableau
- **Platforms & Environments:** Linux, Windows, VS Code, Eclipse, MySQL, Google Colab, Excel
- **Coursework:** Database Management Systems,Operating System, Discrete Mathematics
- **Soft Skills:** Project Management, Time Management

Certifications

• **Object Oriented Programming Through Java** Oct 2025
CodeChef – Learned Java and object-oriented programming concepts.

• **Data Structures** Nov 2025
CodeChef – Learned core data structures and algorithms.

• **Internal Smart India Hackathon (SIH) 2025** Sep 2025
BVRIT Hyderabad – Certificate of Appreciation for SIH participation.

• **National Financial Literacy Quiz** 2026
NISM & SEBI – Participated in the College Round.
